DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

1. The reply filed on July 1, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The amendment filed July 1, 2004 is non-responsive because it does not comply with 37 CFR 1.121. Each section of the amendment does not begin on a separate sheet, as required. Note that the Remarks section does not begin on a separate sheet. Starting each separate section on a new page will facilitate the process of separately indexing and scanning each section of an amendment document for placement in an image file wrapper. An amendent complying with 37 CFR 1.121 is required including having the claims in a separate section and the remarks section beginning on separate sheet. See 37 CFR 1.121.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
